Trillium – A Midwest wildflower that’s been known to spring up almost anywhere!

Thanks for your interest in **Trillium**! We’re an acoustic music quartet, located in the far west suburbs, outside Chicago. Our eclectic repertoire ranges in style from Celtic to folk to ragtime to swing to bluegrass, and appeals to all ages and most musical tastes! Although we’ve only been playing together for 3 ½ years, we’ve performed and been rebooked at many community festivals, recreation department events, coffeehouses, libraries, pubs, house concerts, nightclubs, fundraising events, corporate and private parties, weddings and receptions, in Illinois, Indiana and Wisconsin. Our music has been featured many times on The WFMT Midnight Special & WDCB Folk Festival in the Chicago area, Wisconsin Public Radio’s Simply Folk Program, KBCS folk programs, CelticNet and Highlander Radio, as well as broadcasts and internet streaming of these and associated stations throughout the U.S.

Trillium was invited to perform at the Official Showcase in the Performance Alley at the 2009 International Folk Alliance Conference held in Memphis, TN mid-February.

We hope that you will have a few moments to listen to tracks from our two CDs, *The Moody Leprechaun* (2007) as well as our 2006 release CD *Over the Waterfall*, to be considered for your upcoming programming.

Trillium musicians:

Mim Eichmann: (*hammered dulcimer, vocals*)

Ed Hall: Walnut Valley International Fingerstyle Guitar Champion (*guitar, banjo, vocals*)

Doug Lofstrom: (*bass*)

Jonathan De Souza: (*fiddle, mandolin*)
